

ELEMENTARY SPORTS PROGRAM

We are thrilled to tell you about our Elementary athletic program for all Lakeside students in Kindergarten through 5th grade. This program is a great way to keep your student active and promote good healthy habits all while having fun and making new friends! Students will learn the basic skills of the game, team work, and sportsmanship, in an organized and structured environment while competing against other area schools.

So if you are in grades K-5 and ready to have a great time while gaining the skills and knowledge of your favorite sports, make sure to sign up during registration week for one or up to all four sports being offered! See below for dates and information.
