

FUNDRAISER

Lakeside is partnering with a licensed electronics recycler to host a fundraising drive to benefit the school. A portal has been setup so you can request a FREE online shipping label to mail your old CELL PHONES and TABLETS directly to the recycler, or you may drop them off at the school office and we'll ship them for you.

Any TABLET. Any CELL PHONE. Regardless of age or condition.

Those devices that are newer and in better condition will yield more value, but all devices will generate value for the school. Search through your drawers and closets and send in your old devices today. The recycling company will assess their value and send a check to LCS!

Follow this link to get your free shipping label.

http://www.pacebutler.com/corp_cell_return.cfm?cpid=322

Or scan this barcode to be taken directly to the link.

The online request form is easy and will take just a minute to complete. You will then receive a free FedEx or USPS label to print.
