STAFF SPOTLIGHT: MRS. SMITH

MRS. SMITH IS OUR ART TEACHER AND HAS BEEN AT LAKESIDE SINCE 2019

Favorite Lakeside Tradition- Character Day, getting to wear a costume to school!

Why did you become a teacher? To make a difference in the lives of our future leaders, partnering with families to train up children to know the Lord. And, ultimately glorify God as the body of Christ. Plus I get to say Christmas at our school! Teaching Art in Public school I was told not to say CHRISTmas!

What about teaching gives you the most joy? My students! I love when students encourage me and others by adding a Bible verse to their art and can describe the meaning of it. This gets me excited as they are spreading the good news in God's Word!

In what ways is teaching at Lakeside different from other schools? I LOVE teaching in the positive environment and our school being an anti-bullying school! Yes- only positive words in my classroom now! What a blessing LCS is!

How do you incorporate faith and scripture into teaching? I have the honor of using our state standard of teaching students to, "Communicate with an audience" in art which for Christians (Biblical World View) is sharing the hope within us, the body of Christ. That hope is knowing we will spend eternity with Jesus in Heaven one day.
