

2023-2024 LCS Athletics Sponsorship Banner Program

Advertising with the Lakeside Christian School Athletic Department provides an opportunity to impact your local Clearwater community. It also helps support and develop Lakeside's student athletic program for grades K-12.

Your company's banner will be displayed on Lakeside's campus and will be visible to everyone.

To increase awareness of your business, your banner will also remain posted for the entire school year and be visible during our multiple school and church functions. We will also highlight you as a sponsor across our social media platforms.

Your involvement in our advertising program is greatly appreciated and will help benefit all our sports teams which currently include: [Football](#), [Volleyball](#), [Cheerleading](#), [Cross Country](#), [Basketball](#), [Soccer](#), [Baseball](#), [Softball](#), and [Track and Field](#).

We are so very grateful for your consideration in advertising with Lakeside Christian School Lions' Athletics!
